

CLEANSTREAK  
ENGINEERED SURFACE CLEANING

**WE HAVE ADDED A  
VACUUM SWEEPER  
TO OUR BEST-IN-CLASS OFFERINGS!**

Our customers told us there weren't any choices that delivered *both service and quality like we do* - **such an essential cleaning service shouldn't make your job difficult.**

So, we invested in the best technology to address the need.

By expanding our Engineered Surface Cleaning services, Cleanstreak has extended its *reputation as the gold standard of Pressure Washing to Sweeping.*

Now you don't have to sacrifice:

- **Proactive Communication + Reliable Scheduling**
- **Superior Attention to Detail**
- **Consistent, Deep Clean**

The word is spreading – we've serviced over 10 Million SF in a single month.

Don't just take our word for it:

*Cleanstreak [is] a great company to work with – time after time they have proven to be one of the best in the industry. Without a doubt, Cleanstreak provides an exceptional, beyond comparable level of service with great attention to detail.*

*Since taking over Sweeping Services for our garages, we have seen a tremendous difference in the cleanliness of the garage and the quality of services provided... [and] they are always responsive to emails or a quick call away.*
